

Dear Families of Incoming 6th Grade Students:

We want to give you a huge welcome to the Lancer family!

Included in this email are two videos and an article:

- A video about lockers and how to manage them
- A video from Lincoln staff members
- An article from our 6th grade counselor, Jeff Abrahamson

During the first week of June we will hold several Goggle Hangout sessions for specific elementary schools. In the event you cannot attend your assigned session, feel free to join another one. The purpose of these on-line sessions is for you to meet the leadership team, provide you with important information, and give you an opportunity to ask questions.

There are 3 different ways to join:

1. If you want to use your phone and you want to see participants, you will need to go to the app store and download it to your phone. It is free and looks like this: Once downloaded, just click on the link in this email and join.
2. If you want to use your phone and just dial in, you can call the number listed below and put in the correct pen number. *6 mutes and unmutes you as a participant.
3. If you are using a computer for the meeting and you have a webcam-simply click on the link and it will open in your browser.
