Principal's Message

Dear Lincoln Families:

Even though our plans have shifted a bit since I last wrote to you, we are still looking forward to connecting to our students virtually this quarter. I hope this newsletter finds you well and in good health. We are so excited to begin working with our students again!

Our students will begin attending virtual classes on 8/24/2020. I have enclosed a copy of their on-line schedule. It is critical that you attend our *drive through* computer pick-up date so that you can receive your child's schedule and attend to several other things on that day. *At the time of this newsletter, some of these dates may have passed, as we have communicated this a few times.*

If you did not come to your scheduled date, please call 488-5700 to set up an appointment.

Principal's Message, continued...

In closing, I want to express that this fall is very different from the spring. We have had time to prepare and have created a schedule that requires your child to attend their on-line classes Monday-Thursday. Advisory class is held each Friday. Students are in contact with their teachers for 3.5 hours each day and will be assigned homework and practice. All teachers have determined office hours that may be used by students who need assistance on their schoolwork. **The expectation is that students are in their live classes, they engage in their work, and they turn in their assignments.**

Lincoln teachers are looking forward to partnering with you in this unprecedented time and ensuring that your child continues with their learning safe and at home. Please email me at pstires@psdschools if you have any questions about the upcoming school year.
