

Student Registration In ABW

—

Part 2 of online registration

After completing the initial parent registration for sports in A Better Way, there is a second registration for the student to complete. This registration should be for a specific sport. It will require your student to watch additional videos and forms related to being a student athlete. The following slides will walk you through this process. Before you go to the next slides please log into app.abw.io in order to access the A Better Way Platform.

Your screen should look like this after completing the parent portion. You must next click “register now” to start the student registration portion.

You can track your student registration progress with the four steps that are noted on the left hand side of of the screen.

Once your student sees the “Complete” box is checked off, they have completed their portion of the registration and are now fully registered.

Check that all registration steps are completed and that your registration has a checkmark next to “Complete.”

The screenshot shows a web application interface for "PSD High School Athlete Registration 26-27 - Boys Soccer Registration". On the left is a sidebar with a "Progress" section containing a progress bar and four steps: "Welcome" (checked), "Registration Form" (checked), "Registration Tasks" (active, highlighted with a blue bar and the number 3), and "Complete" (numbered 4). The main content area has a light purple header with an information icon and the text: "Complete all of the tasks below to finish this step. You can complete them in any order." Below this are four task cards, each with a dashed circle icon and a title: "Athlete Registration Attestation", "The Athletics Ecosystem", "The Purpose of Educationally Based Athletics", and "The Role of an Athlete". At the bottom of the main area are three buttons: "Back", "Cancel", and "Next".
